

MMR_0495 Victor Alan Kuklin

I have been a member of the NMRA and RMR for over 20 years. I have previously served two terms on the RMR board. I live in Buena Vista, CO.

Serving on the RMR board is a wonderful opportunity to give something back to the hobby from which I derive so much pleasure. I think of it as a chance to help my friends enjoy the hobby. Helping the Region members will also help the Region organization grow and prosper.
